October 22, 2021

Dear Jesup Community School Parents and Families,

Happy Friday everyone! First of all, I would to extend a huge congratulations to both our Girls AND Boys Cross Country teams as they punched their tickets to the State Meet at last night's qualifying meet in Dike. The girls will run this Saturday in Fort Dodge at 10:30 a.m. with the boys to follow at 11:15 a.m. Something most definitely to be VERY #jhawkproud about!

A quick facility update to share. We will have a construction crew here next week along the south side entrance to the Early Learning Center to redo this area. We ask that everyone use the main entrance into the Early Learning Center on the southwest corner as we work through finishing up this work. As our Phase I projects are wrapping up, the Facility Advisory Committee is hard at work with OPN Architects in finalizing plans for Phases II and III. We will be reconvening the group again this Wednesday to finalize the priority list, review 3D renderings, discuss finances, and begin the process of drafting bond language. We are excited to continue to work through this process in order to expand and enhance the amazing facilities that we have to offer our students and community.

We continue to report the number of COVID-19 cases we have each week as well as the county 7-day positivity rates. Currently as of today, we have **five or fewer** positive cases. The 7-day positivity rate is **5%** for Buchanan County and **7%** for Black Hawk County.

We appreciate your continued support and patience with us as your school district. We are here to meet your children's needs both academically and in regards to their health and well-being. If at any time you have questions or concerns, please reach out through email, phone, or stopping by my office. Have a great weekend! #jhawkproud

Thank you and take care,

Nathan
