May 28, 2021

Dear Jesup Community School Parents and Families,

We made it!!! As I type this letter with only a few minutes left in the 2020-21 school year, I want to say thank you for your patience, commitment, and teamwork this past school year. A year ago, we had no idea what this school year would look like, but now looking back I could not be happier with how this year turned out. While there were numerous challenges that came up through the year that caused us to have to pivot relatively quickly and approach things in new ways, we appreciate your support along the way. We were so fortunate to be able to complete the entire year with in-person learning and we are looking forward to what the 2021-22 school year will bring. While some of the changes we had to make this past year will “go away” as we return, we also learned many new ways of doing things which we will continue. As for myself, I have found so much value in provide these updates, our weekly district staff virtual meetings, and our Facebook Online Community Forums, these along with many other changes will likely be here to stay...and hopefully without having to talk about COVID anymore in any of them. This summer we have a lot of work to do to again getting ready to start in the fall, including many facility improvement projects. I will try to provide some updates throughout the summer months as well. Again, we thank you for your continued support and working with us through a very trying year. Below is hopefully what will be the last COVID data update for a long, long time. Take care and have a great summer!!! #jhawkproud #jhawksafe #jhawkstrong

COVID-related information as of today is as follows. We have **0** individuals testing positive and we have **0** individuals currently in quarantine! The county 7-day positivity rates are currently **2%** for Buchanan County and **4%** for Black Hawk County. This data changes frequently and can be found at <https://coronavirus.iowa.gov/>. Please continue to be vigilant in your actions and conduct.

Thank you and take care,

Nathan
