June 10, 2020

Dear Jesup Families,

As we all are quite aware, COVID-19 has disrupted our nation, state, community, and most significantly, our lives. For the last few months, we have pulled together, adjusting to a new way of working and learning. Because of your dedication, flexibility and determination, we succeeded at continuing to educate students, support them and their families, and keep our essential functions operating through these very stressful and challenging times. We would like to thank you as parents, students, and staff members for your dedication in making this work. At this time, we would like to know your feelings about coming back to school in the fall, and what we can do to best support you when we are able to return. This summer, the District is working on plans that will include three options; on-site learning, fully remote/virtual learning and a hybrid system combining both. If you are able to take a few minutes to share with us your thoughts in order to help us develop the best plans possible that would be great. Take care everyone and have a great summer.
