Dear Parent(s)/Guardian(s),

What a crazy end of the year this has been. I really do appreciate all your efforts during this school closure. With that being said, the district has come up with a plan for exchange of materials with the students.

There will be two days when you will be able to drop off textbooks, library books, and/or any school devices you may have at home and pick up items left in your child's locker or cubby. The dates and times are listed below:

- **Wednesday, May 27th from Noon to 8:00 P.M.**
- **Thursday, May 28th from 8:00 A.M. - Noon.**

Middle School pick and drop off will be at the **Activity Entrance**. We ask that you pull up to the entrance in the fire lane and stay in your vehicle. A staff member outside will take your name, collect the materials being turned in, and will retrieve the student's materials from inside the school and bring them back to you.

If you have children in different buildings, you will need to go to each building to turn in and collect materials. We will not be grouping materials by family across buildings. (HS will be at the MS entrance and Elem. will be at the Elementary Entrance)

If you have any questions please feel free to email me at lloecher@jesup.k12.ia.us or Kayla at kbresson@jesup.k12.ia.us. We appreciate your patience and hope all of you are doing well and staying healthy.

Sincerely,
Lisa Loecher
