

Emergency Information

Emergency information is kept on file in the principal's and nurse's office. To keep this current we need to know the following:

1. Change of address or telephone number.
2. Change of doctor or dentist.
3. Name and telephone number of an authorized person to contact in the event the parent or guardian cannot be reached.
4. Notify the school when you expect to be out of town for more than a day.
5. Change in jobs and phone number.
