Tis the season for candy canes. FCCLA will be selling candy canes (to be delivered) Monday, December 10 - Friday, December 14. Cost is \$.50 and FCCLA members will be taking orders before school starts in front of the HS office.

HS: Any student interested in competing in an engineering contest this next spring, please contact Mrs. Rigdon by Friday, December 21. This will be similar to the Rube Goldberg contest students competed in last year. Those students who end up on one of two teams will receive science extra credit!
